

## REGION C RALLY 2015 MIDWAY GAMES

Chapter/State organizations in Region C are encouraged to provide at least two games for our Midway which will take place Saturday morning during the rally. Make the games portable and easy to assemble. You will need to provide 'prizes' for your booth which can be anything inexpensive; candy, cookies, other snacks or use your imagination! Booths may be set up after Friday morning registration **in a place TBD** along both sides of the black backdrop. A few spaces will be available outside for games using water/paint/etc and are to be set up Saturday morning before 10:00 a.m. Members will purchase tickets to play the games **at 25 cents each**, and *your Chapter/State will get the proceeds for each ticket used to play your game.* **You will turn in your collected tickets at the close of the Games to the Region C Treasurer, Linda Vogt, for payout. Good Luck to all participants, and let the Games begin!**
