Thank you note from family of Donna Baller shared with members. Discussion held regarding our Fun Run. After much discussion, motion was made by Kenny to have each membership pay the chapter \$10 instead of holding fun run. Motion seconded by Mary. Motion carried. Discussion held to determine time to use the Pig Money. Members decided to ride after the July 23 meeting to Junction Café in Bedford, Iowa. Members will be given opportunity to place 25 cent bet on how many quarters in the Pig. Closest guess will win the betting quarters. Wednesday Rides at Oakland Gazebo will start this Wednesday at 6:30 PM. Deb volunteered to set up predetermined eating place for each week. Members gave her suggestions for places to ride and eat. No further business, the meeting was adjourned at 0945. Heads and Tails won by member, but I did not write it down 😊
